July brings Leah Caroline to the Weir Farm Artist-in-Residence program. Ms. Caroline will be incorporating her cyanotype scrolls into installations of wunderkammern, cabinets of curiosities. The scrolls relate to her nature writing and Song of Songs. She will use photographs of natural forms, actual plants, and taxidermy that she used to make the cyanotypes,

enriching her source materials with regular trips into nature where she will photograph, sketch, write and collect. Co-sponsored by Weir Farm Art Center and Weir Farm National

Historic Site and presented by Wilton Library. No charge. Registration is suggested.
